cumbriavision

**Ignite** is an innovative training programme of practical seminars and interactive workshops with a focus on woodfuel. Ignite is designed for those wanting to know more about woodfuel and to equip new and existing woodfuel businesses with the skills and knowledge required to meet the increasing demand from this growing alternative market.

**Ignite will provide you with :**

- Essential background to the woodfuel industry;
- Running an efficient and profitable woodfuel business;
- How, where and when to start out in woodfuel;
- Lantra Technical Award with registered instructors.

**1st, 2nd, 3rd April 2008, Newton Rigg**

**Cost**

£50 + VAT

*Including all course materials, refreshments, lunch and course registration fees.*

**Woodfuel Quality Standards course:** a one day course incorporating live demonstrations and sampling techniques, it is designed to help participants:

- Understand the range of draft CEN standards for wood fuels.
- Appreciate the different properties of wood fuel that can be specified.
- Know how to specify wood chip fuel.
- Know how to find out if a particular type of wood is appropriate for a specific combustion system.
- Recognise the importance of quality assurance and labelling.

**7th February 2008, Bassenthwaite**

**Cost**

£35 + VAT

*Including all course materials, refreshments, lunch and course registration fees.*
